New SUP Line-up for 2010

Basically, we can't sit still at KIALOA. We always have to make things better. So we're introducing some exciting new paddles and adding cool new graphics to our old favorites.

Red Monstera

Blue Monstera

Yellow Tapa

Blue Tapa

PIPES Full Carbon *New Paddle!*

Chicks only. Women aren't decorations in the line-up. We're taking our fair share of the waves and the Pipes is KIALOA's new women's-specific SUP paddle, featuring a smaller blade. As with all our carbon SUP paddles, the Pipes has a super-strong oval and tapered shaft with a 10-degree blade angle and our uni-directional Ergo-T. You don't have to use your man's hand-me-downs.

- Surface Area: 87 sq in
- Blade Width: 7 1/4"
- Blade Length: 16 1/2"
- Weight: 21 oz
- Retail Price: \$139.00
- Colors: Black, Red Monstera, Blue Monstera
- Made in USA

METHANE Full Carbon *New Graphics!*

Light, strong and maneuverable. New last year, the Methane quickly became one of the top-selling surf paddles in the world. The 8" wide blade is perfect for quick starts and turns necessary for maneuvering a SUP board in the surf.

- Surface Area: 97 sq in
- Blade Width: 8"
- Blade Length: 16 1/2"
- Weight: 21 oz
- Retail Price: \$139.00
- Colors: Black, Red Monstera, Blue Tapa
- Made in USA

SHAKA PUU Full Carbon *New Graphics!*

The Waterman. Versatile, like legendary Waterman Mel Puu, the Shaka Puu excels in all SUP disciplines: surfing, distance racing and fitness paddling. The Shaka Puu is Chuck Patterson's secret weapon at the Battle of the Paddle.

- Surface Area: 100 sq in
- Blade Width: 8 5/8"
- Blade Length: 16 1/2"
- Weight: 22 oz
- Retail Price: \$139.00
- Colors: Black, Yellow Tapa, Blue Tapa
- Made in USA
